

ABOUT THE   
**barber services**

Nothing feels fresher than a great haircut, a professional shave or the perfect trim. Our design team of barbers offer a full spectrum of services, from styling to dimensional color, to enhance your individual style.

 **STRAIGHT RAZOR SHAVE**

Experience a classic, expert shave by a barber trained by renowned master barber Perry Gastis. Multiple hot towels are applied, then premium quality pre-shave oil is massaged into the beard area, followed with steaming hot lather. Two passes with an artist-grade straight razor ensure the perfect shave, and the service is finished with a facial mask, unscented aftershave balm, face moisturizer and eye gel.

Monday – Friday \$75  
Saturday & Sunday \$80

 **HAIR CUT**

An impeccably finished, precision haircut. Your experience begins with a steaming hot towel placed over your face as you recline to have your hair expertly shampooed. Your hair is then cut to perfection, a conditioning rinse is applied and your hair is styled. To extend the life of your cut, the back of your neck is detailed using hot lather and a straight razor.

Monday – Friday \$65  
Saturday & Sunday \$70

 **HEAD SHAVE**

The most comfortable head shave available, using a straight razor for flawless results. We apply steaming hot towels to your head to open the pores and soften the hair. Premium quality pre-shave oil is then massaged into your scalp, followed by all-natural hot lather. The first pass is completed using a straight razor. The process is repeated, this time using a Fusion razor to perfect the finish. An ice-cold aloe mask is then applied, followed by unscented aftershave balm and moisturizer.

Saturday & Sunday \$80
